

# INFORMATION SESSION ON INTERNSHIP OPPORTUNITIES AT INFOSYS

**Date & Time: 18:45-19:45, Thursday, July 23**

**Venue: Room 429-433, Engineering Building 14, Hongo Campus**

**Speaker: Mr. Jo Ando, Manager, Infosys Japan**

Facilitator: Prof. Toshiro Nishizawa, GraSPP [tnishizawa@pp.u-tokyo.ac.jp]

In order to share information on internship opportunities at Infosys, Mr. Jo Ando, Manager at Infosys Japan, will talk to us. Anyone interested in such opportunities is welcome to join the session.

**InStep**, the flagship global internship program of Infosys, attracts talent from top academic institutions around the world. The program attracts a mix of students from across disciplines like management, technology, and liberal arts. **InStep** fosters a multicultural environment, high-impact strategies and cutting-edge research projects. Since its inception in 1999, **InStep** alumni have grown to 1250. In 2013, 150 talented professionals were hired from 100 top universities for strategic projects.
