### **3. Group Work Presentation for QE Evaluation (19 March, 8:30-10:30)**

At the Group Work Presentation for QE Evaluation, nine students divided as three teams will give presentations as an individual and as a team in order to solve a social issue which they selected among the given six areas. At the same time, each student will introduce how their own research link to the social issue.

**We would like to request all participants to give comments to the team A, B, and C.**

Please access to the comment form by following the link below and write your comments during the retreat. We will convey your comments to the presenters.
