東京医学会

第 80 回 GSDM プラットフォームセミナー

東京医学会 第2708回集会

日時:平成28年11月10日(木)18:00~19:30 場所:医学部教育研究棟 13F 第6セミナー室

演者: Dr John E. Spicer

(所属) Head of Primary Care Education and Development Health Education England [South London Team] National Health Service, UK

演題: GP training system in UK

紹介: Dr John Spicer is a general medical practitioner/family medicine physician in London UK, and Head of Primary Care Education for Health Education England [South London]. He will present an overview of GP training system in UK, including to its foundation/specialty training, placements and construction of programmes, numbers of GP trainees in England and other three UK countries, and plans for changes. He will also discuss the payment systems and employment models in primary care settings in the UK National Health Service, if time allows. (講演は英語で行われます。)

主催:東京医学会

共催:東京大学医学部公衆衛生学教室/健康医療政策学分野
