J001 Silent Violin SV-120 ヤマハ株式会社 (社)日本インダストリアルデザイナー協会

UT i.school

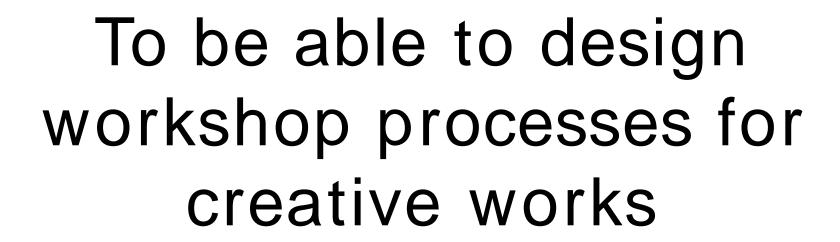

Started in 2009 as a program of Center of Knowledge Structureing, The University of Tokyo (Director, Hideyuki Horii)

Ability to produce human-centered innovation

Workshops with UT students and some people from partner companies

Goal for i.school students

To have confidence to be innovative

i.school 2009

Toward better communication between working mothers and their children at home by IDEO and Stanford d.school

Foresight of India by Hakuhodo Creating a social enterprise by H. Horii and T. Sumitani

Designing Eco-Experiences by Design Division, Hitachi

Toward better communication between working mothers and their children at home by IDEO and Stanford d.school

- d.school, Stanford Univ.
- IDE, Royal College of Art, UK
- Aalto Univ., Finland
- id, KAIST, Korea

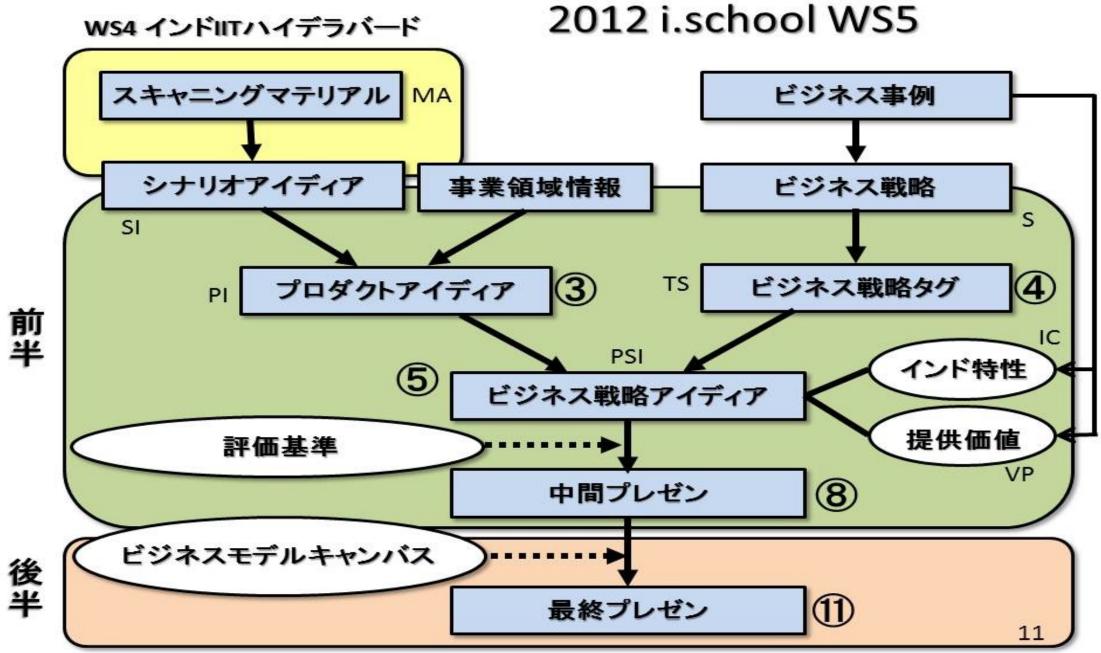

They offer their best workshops for i.school

Innovation workshop:

Information Processing by groups of people

Information processing

Can be modelled

Can be designed

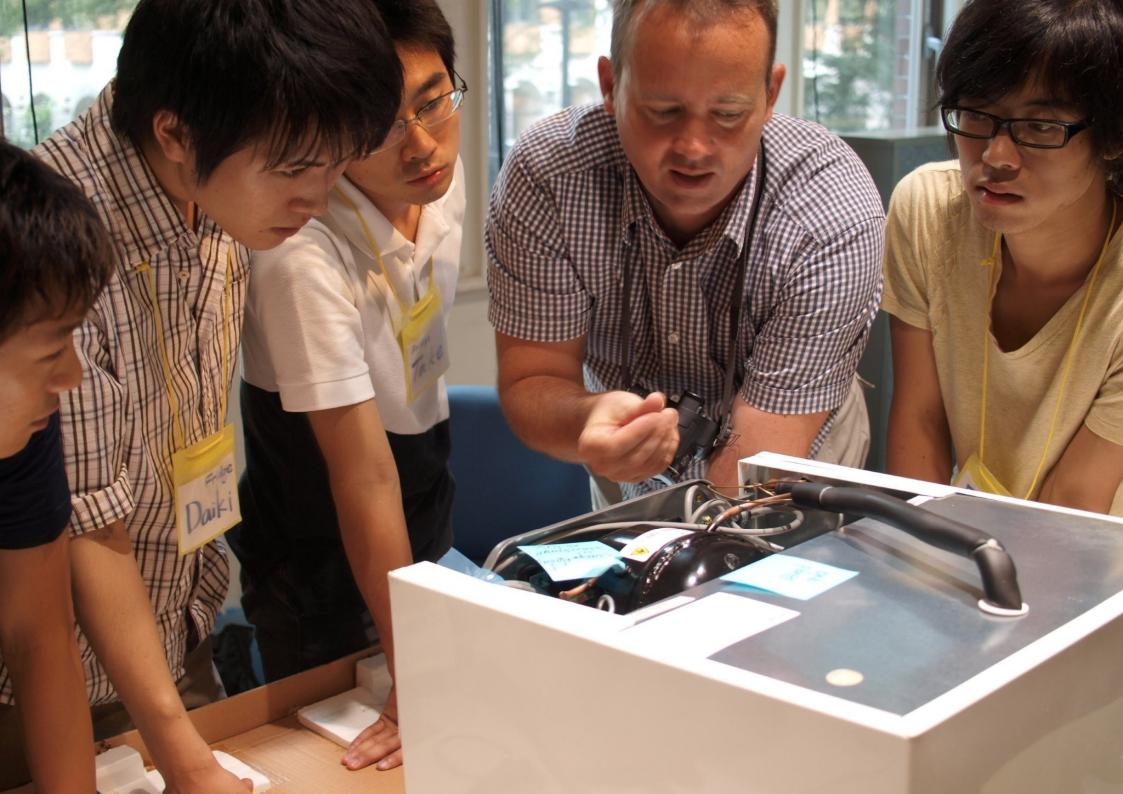

Can be evaluated

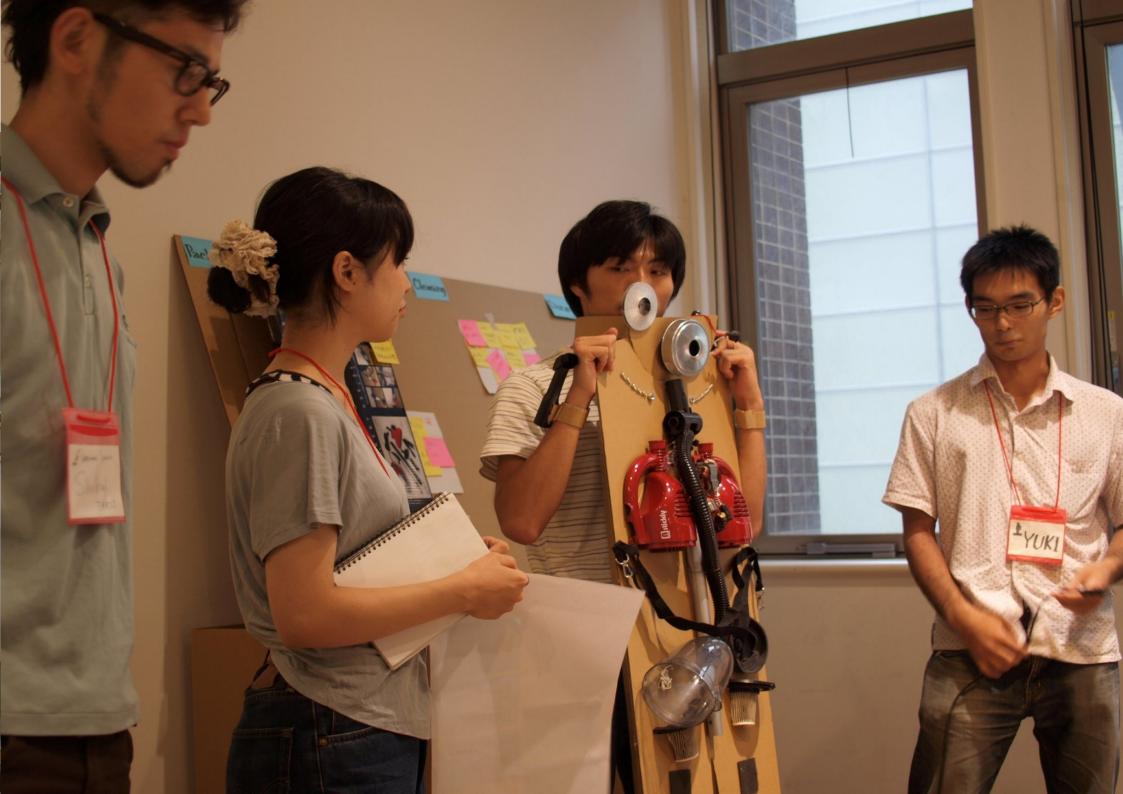

Mechanisms for Novelty

- 1. Understanding others
- 2. Foresight
- 3. Clarifying concepts
- 4. Shifting cognitive pattern
- 5. Shifting value system
- 6. Finding new combination
- 7. Analogical thinking
- 8. New objective from unexpected use
- 9. Table flipping

Olin College of Engineering

Founded in 1997

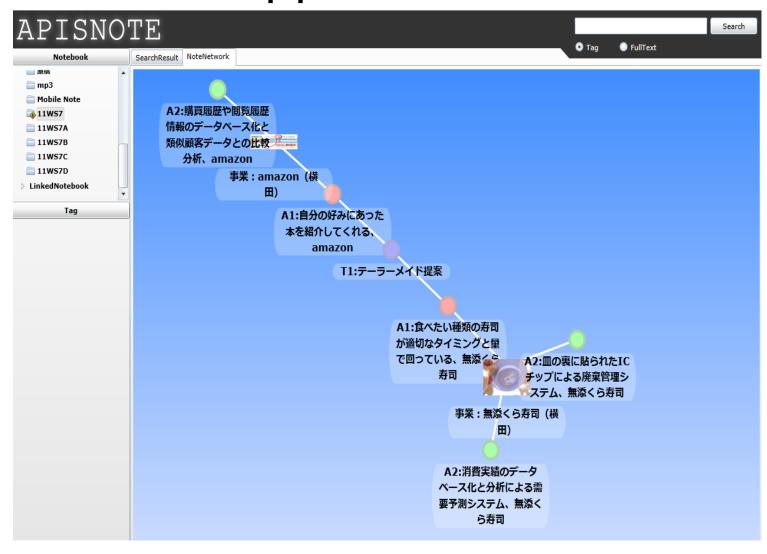

#6 in US News' Best Undergrad Engineering Programs (no doctorate)

SAT (Scholastic Assessment Test): MIT (Reading: 670-770, Math: 740-800, Writing: 680-780) VS Olin (R: 700-775, M: 725-790, W: 680-760)

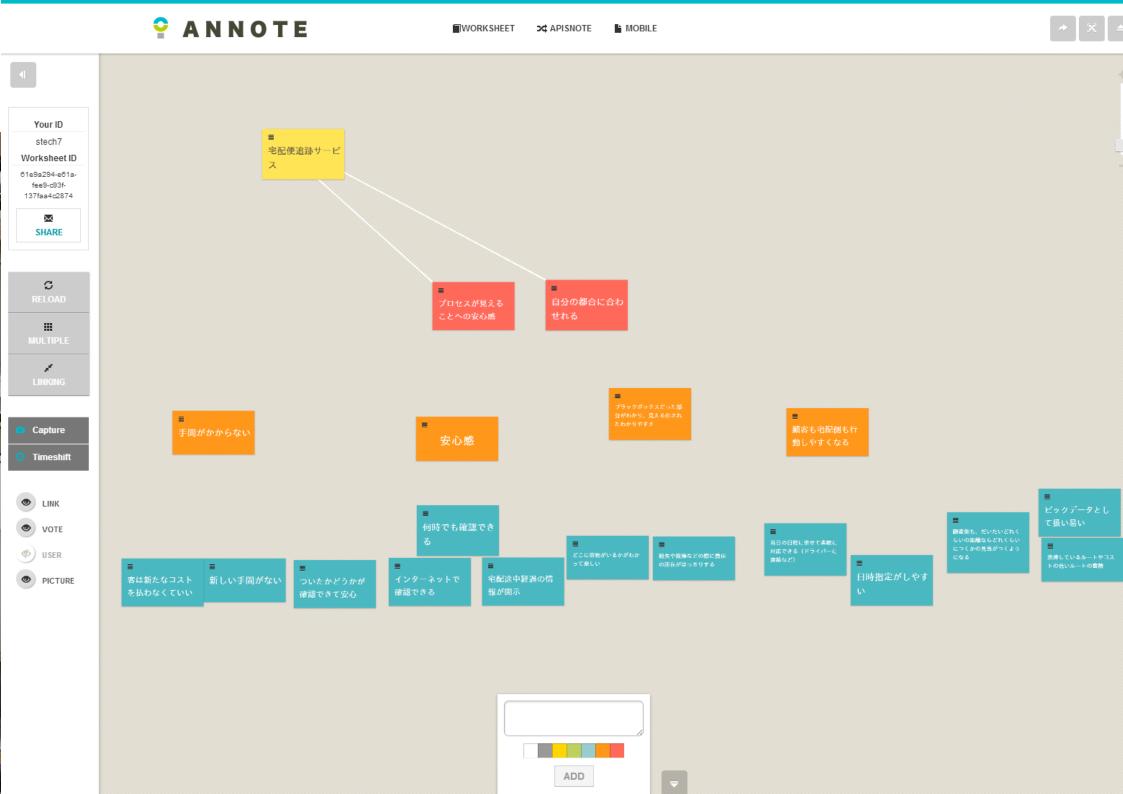

Uniqueness of i.school

Knowledge Structuring supports innovation

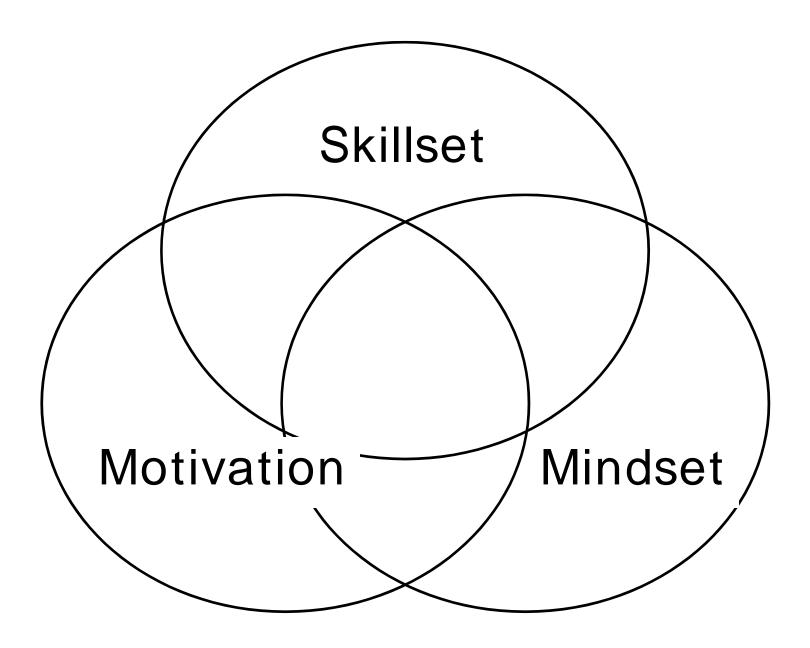

Uniqueness of i.school

- Innovation science
- Innovation workshop itself is the subject to study
- Cognitive science, Organizational behaviors, Knowledge engineering, Pedagogy
- Results of studies are utilized to design better innovation workshop

i.school 2013

- Summer Program: English
- Disaster recovery & POP Culture
- 30 students from abroad 30 students from the Univ. of Tokyo
- 850 applications from abroad

UC Berkeley 21, Oxford 9, Stanford 6, Harvard 5, Tsinghua 100
